Re: ICC Docket Nos. 00-0233 and 00-0335 (Consolidated)  
Fifth District Appellate Court Case No. 5-02-0199

Dear Ms. Caton:

This firm represents Illinois Independent Telephone Association ("IITA") as an appellant in the referenced appeal of the Illinois Commerce Commission's ("ICC") Second Interim Order On Rehearing of March 13, 2002. We filed a Notice and Acknowledgment of Appeal with your office on April 2, 2002 and a Petition for Review with the Appeals Court on April 3, 2002.

In order to fulfill our duty to furnish a copy of the transcripts of evidence, including exhibits ("Record on Appeal") with the Fifth District Appellate Court, I am filing this letter with your office to repeat and confirm the request made on behalf of Harrisonville Telephone Company by Troy Fodor by letter dated on or about April 4, 2002. In compliance with Section 200.890(c)(2) of the ICC's Rules of Practice, I have attached as Exhibits to this letter a list reflecting the ICC docket number, the date of each transcript ordered, and the nature and identification of each exhibit ordered. I believe it is identical to Mr. Fodor's.

Specifically, attached as Appendix A is a list of the hearing dates with corresponding transcript pages as well as a general description of the nature of the hearing on that date. Attached as Appendix B is a list of the exhibits which were offered and admitted into evidence and the date of their admission, as well as the transcript references for their introduction and admission. There were a number of Offers of Proof. Those are also identified on Appendix B. IITA hereby requests that you provide a copy of the transcript for each of the dates identified on Appendix A and a copy of each exhibit and Offer of Proof item identified on Appendix B.

Based on the foregoing, I request that the Illinois Commerce Commission certify the entire record and file it with the Clerk of the Appellate Court (pursuant to Section 10-201 of the Public Utilities Act), that record for the purposes of appeal be defined as the transcript of testimony, together with all exhibits the were introduced and all information secured by the ICC on its own initiative and considered by it in rendering its order, and the pleadings, records and proceedings in the case (Section 10-110 of the Public Utilities Act).

To the extent that Mr. Fodor's firm has not already covered the costs of copying the materials identified, this law firm will pay any and all charges associated with the copying of the transcripts and exhibits requested hereby. Please bill our credit card which is on record in your files. Please also contact us when the copies are completed.

If you have any questions regarding this request, please do not hesitate to contact me. Thank you for your assistance in this matter.

Very truly yours,

MEYER CAPEL  
a Professional Corporation

Joseph D. Murphy
